**Subject:** Mid-South SFPE Receives National Award

To all Chapter Members,

It is with great pleasure that I'd like to inform you that the National Society has selected our chapter to receive the Bronze 2009 Chapter Excellence Award. This is the first time our young chapter has been recognized in this fashion and we all should be very proud of this accomplishment. As the current Chapter Vice President I would like to recognize our Chapter President Majid Hatamzadeh for all his tireless work over the last two years. He has taken our chapter to the next level and this chapter recognition in no small part is due to his drive, hard work and interest in moving the chapter forward. Let me publicly say thank you to Majid.

I will be attending the annual SFPE conference in Scottsdale, AZ and I will happily accept the award on behalf of the chapter and chapter members and friends. I hope all of you will attend our November Business meeting where all chapter members will have the opportunity to see the award, say thanks to Majid and continue our chapters growth and march forward by voting for new chapter officers. As always the chapter depends on you, the chapter members, to take an active part in the chapter so please consider running for chapter office and/or participate in one of the many chapter committees designed to support the chapter and local community.

Congratulation to you all!!
