Dear Jerry:

Congratulations, the Mid-South Chapter has been selected to receive the Bronze 2009 Chapter Excellence award.

This award shows that your chapter has made significant contributions in advancing the goals of the Society. The award winners were determined by a five member task group of the Board of Directors who graded and ranked the chapter's self-evaluation form. The Board of Directors is pleased with the support that was demonstrated by many chapters and is honored to recognize their achievements.

The Chapter Excellence award recognizes the hard work of the chapter to help advance the profession and the Society. Please thank all the members of your chapter who gave their time and talent in making this another exceptional year for your Chapter.

Twelve Chapter Excellence Award patches will be presented at the Chapter Senate meeting at the Doubletree Paradise Valley Resort, Scottsdale, AZ. This meeting will take place at 1:00 p.m. on Sunday, October 18, 2009. It is expected that a representative from your chapter will attend this event to receive the award and participate in the Senate meeting by providing input to the Society's leadership. Please inform me who from your chapter will be attending.

We hope to see you at the Chapter Senate meeting and at many different event taking place at our 2009 SFPE Professional Development Conference and Exposition, October 18-23, 2009 at the Doubletree Paradise Valley Resort, Scottsdale, AZ.

Sincerely,

Elle Andracsek
