

Mid-South SFPE January Meeting Notice and President's Message

Hi to all,

I'm really excited about the quality of speakers we have or are trying to arrange for our 2010 chapter meetings. I'm especially glad to announce that we are starting our meeting calendar year with our own Brad Chafin, VP Operations, Security Fire Protection who will be providing a presentation on High Expansion Foam Application for Aircraft Hangers this coming Tuesday , January 19 (please review the attached meeting notice for details). PLEASE share this meeting information with your friends and co-workers and make every effort to come and hear Brads talk. Guests are always invited and welcomed.

Our February meeting will be "Beam Fire Detection 101" and will be on February 16, so mark your calendar.

As this is the beginning of the chapter year we would like to remind you that it's time to pay your chapter dues. This dues goes a long way in supporting all the things the chapter would like to do and supports the chapter objectives and operations. The chapter dues has not changed and is still \$20. Employees of public agencies only pay \$1.00. So please pay your dues while attending the next chapter meeting or send in a check payable to the Mid-South SFPE to Majid Hatamzadeh, Treasurer, PO Box 148, Cordova, TN 38088.
